

Restring Service

Babolat RPM Blast: \$50.00

Used by the top tennis players in the world, including world number 1 Rafael Nadal. With its durable co-polyester structure RPM Blast is designed to add spin to your shots. It is recommended for big hitters seeking spin and control.

SIGNUM PRO®

Signum Pro Poly Plasma: \$40.00

A good quality all round string, Poly Plasma is ideal for any medium to advanced level player. Its co-polyester construction allows it to hold tension far better than other strings, making for a consistent feel for the duration of the string.

Head Sonic Pro: \$40.00

Sonic Pro is superior string designed to allow for control and touch as well a spin and extra power on your shots. This co-polymer polyester string offers durability that has a soft feel to play with.

Head Synthetic Gut: \$30.00

This string offers an even blend of durability and playability. Its design allows for maximum control while not hindering other qualities such as power and spin.

Entry Level String: \$25.00

A quality durable string for the beginner or social player

Labour Only – String Supplied: \$20.00

Supply your own string and you will only be charged for the labour of restringing your racket

Overgrip Replacement: \$3.00
